With a very full schedule of activities, it is very important that we all work together to provide a successful and entertaining event for all of the visitors. The Hispanic Heritage Council (HHC) respectfully requests the full cooperation and assistance from all vendors with the following information, guidelines and procedures... Thank you.

Pre-Event Vendor Meeting:

All vendors are required to attend the Vendor Meeting on **Thursday, September 06, 2018 at 6:00 p.m.** at the Sherman Municipal Grounds Gazebo. Vendor spaces will be assigned and identified. Each vendor will have the opportunity to examine the location of their assigned booth and size. The following guidelines will be reviewed and discussed as necessary.

- Booth Fees are **NON-REFUNDABLE**.
- Booth spaces will be assigned at the discretion of HHC.
- HHC reserves the right for approval of any items to be sold and the right to cancel a vendor booth which HHC in our sole discretion deem inconsistent with the quality of the event. HHC will not be responsible for any vendor expenses or costs incurred and no refund shall be given to the vendor.
- HHC shall not be liable to vendors for any damages, loss, or injury arising from any condition existent at the event, or any act, omission or neglect by any other vendor, volunteer, visitor and/or HHC member at any time whether prior, during, or after the Hispanic Heritage Celebration.
- HHC will provide all vendors with Vehicle Parking Permits which will allow vendors to park all motor vehicles, trailers, and equipment in the designated Vendor and HHC **ONLY** parking area.
- In observance of this family orientated event, HHC will not allow any alcohol, wine coolers, or beer on the Sherman Municipal Grounds at anytime, including vendor set-up, during the event, and vendor tear-down. Violation of this policy will result in immediate removal from the Sherman Municipal Grounds by the Sherman Police Department. HHC will not be responsible for any vendor fees, expenses, or cost incurred and no refund shall be given to the vendor. HHC will not be responsible for any fines or charges imposed by the Sherman Police Department as a result of violating this policy.

Vendor Set-Up:

Vendor set-up will begin **Saturday, September 08, 2018** **between 11 a.m. and 1 p.m.** All vendor motor vehicles and non-essential vendor equipment must be moved to the vendor parking and equipment holding area by **1:00 p.m.** HHC will not offer any loading/unloading assistance, and HHC will not offer any type of load bearing equipment to aid in the transportation of items.

- No refunds for inclement weather.

• **HHC will NOT furnish: Tables, Chairs, Electricity, Tents, Shade Coverings**

- No motor vehicle may remain in, around, or behind the assigned vendor space during the hours of the event. All trailers which must remain in the assigned vendor space must be safely disconnected from the vehicle and wheel chocks must be used to prevent accidental movement or free rolling.
- All trailers and vendor supporting equipment must remain within the assigned vendor space. This includes the trailer, trailer hitch, ramps or doors. Please take this into consideration with selecting the size of the required vendor space.
- No vendor may use any form of Tent Stake, (including Plastic, Wooden, or Metal) in any grass covered area of the Sherman Municipal Grounds. Vendors are encouraged to use weighted objects to secure all tents and canopies in these assigned vendor areas. Damaging any water lines or lawn sprinklers will result in \$250.00 fine, payable to the City of Sherman.
- No motor vehicle may operate or drive on the grass areas of the Sherman Municipal Grounds at anytime, to include set-up, during the event, or tear-down.

Vendor Tear-Down:

Vendor tear-down will begin **Saturday, September 08, 2018 after 7:00 p.m.** No early tear-downs will be allowed. Early tear-down violators will be removed from the accepted vendors list for all future HHC events. HHC will not offer any loading/unloading assistance, and HHC will not offer any type of load bearing equipment to aid in the transportation of items.

- Due to the large number of visitors exiting the Municipal Grounds upon conclusion of the event, please use extreme caution when operating a motor vehicle from the designated vendor parking area to the assigned booth space.
- HHC would ask each vendor to clear the assigned vendor space of all trash items and to place all trash or unwanted articles into the provided trash receptacles. The City of Sherman will provide the receptacles for this event and they will be maintained throughout the day by various HHC committee volunteers. Please help us to return the Municipal Grounds in the same condition as received.
- No motor vehicle may operate or drive on the grass areas of the Sherman Municipal Grounds at anytime, to include set-up, during the event, or tear-down.
- HHC will not be responsible for the loss or theft of any vendor equipment, items, or merchandise which remain on the Sherman Municipal Grounds after the completion of the event.
